### **Sully District Police Request Help in Vehicle Tampering Cases**

In late September and on November 5th, there were several areas hit with vehicle tamperings in the Centreville area. The suspect entered unlocked cars and took change, CD's, electronics left in the cars, and anything of value left in the cars. He did not take stereos. The police have recovered property and are currently looking for any victims that did not report the tamperings to the police. If you or someone you know have been a victim of these crimes please contact Detective Lincoln Kieffer of the Sully District Criminal Investigations Section at 703-814-7026. Below are the neighborhoods that were hit in these thefts.

**Free Home Repairs for Low-Income Homeowners:**

Is your home in need of general maintenance work...paint, handrails, wall repairs, or grab bars perhaps? If the answer is yes, and you find it difficult to pay for these services, Rebuilding Together may be able to help you. All the work is done for free by teams of volunteers with skills ranging from novice to Professional. In fact, you have probably seen the thousands of community members armed with paint brushes, hammers, and great big smiles during the last weekend in April. These dedicated community members repair floors, ceilings, walls, doors, and roofs; install grab bars, railings and smoke detectors; address minor plumbing and electrical repairs; build ramps, paint, and attend to yard work.

To qualify for the program you must own and live in the home to be repaired. The income level for one individual cannot exceed \$30,450. For each additional person in the home the income level increases by \$4,350. Priority is given to seniors, persons with disabilities, and families with children. To obtain an application, simply call RPJ Housing at (703)528-5606 ext 10 or go to our website at [www.rpjhousing.org](http://www.rpjhousing.org). Completed applications must be received by February 1, 2005.
